From the Principal's Desk Elizabeth T. Catarius

The Connecticut Mastery Test has ended and the students' individual tests will be scored by Measurement Incorporated. The children and staff were calm, focused and diligent in their approach. Grades three and four had Supplemental Tests in the areas of Reading and Writing. These tests were taken on a computer, and the students seemed enthusiastic in regard to this new method of administering the tests. This is in preparation for the National Test that will be given in the school year 2014-2015, and this test will be taken via the computer. The results of this year's Connecticut Mastery Test should arrive in August, 2012.

Reader's Workshop and the focus on literacy continue to be one of the major goals of Emerson-Williams. At this time of the year, teachers are progressing in the implementation of the Reader's Workshop model. One component of the model is the formation of Book Clubs. In a Book Club, students work with two to five other students. With supervision and support from their classroom teacher, the students read a common text, develop goals for the group, contribute to the book club by holding conversations with each other, help each other use strategies, and encourage each other to read more. The Book Club is an excellent vehicle for students to communicate with their peers in regard to a common theme.

In closing, I would like to thank Mrs. Quadrato and Mrs. Ginter and all the other volunteers for coordinating and producing the Talent Show. It was a wonderful evening and it was wonderful to have two former Emerson-Williams students, Ben Goldman and Zane Tatro, host the event.

If You Were in Charge ...

We need your help! Have you ever had a great idea for a fundraiser, or a program that the PTO should fund, or had a different opinion about our current activities and events? Now is your time! We would love to hear any and all input from you as we develop our 2012-2013 budget. In addition to our usual activities and events, we still have a long way to go in our playscape fundraising efforts. Please join us at 7pm in the Media Center on Wednesday, April 25 to share your thoughts. If you would like to give feedback but cannot attend the meeting, feel free to e-mail any of the PTO officers. The proposed budget will be presented at the May PTO meeting and voted on at the June PTO meeting. Thanks!

6th graders:

<u>Keep getting the physical forms in to me. I still have many</u> students that have not gotten them in. You will not be allowed to enter 7th grade in September without one.

BLOOD DRIVE: Emerson Williams will be sponsoring a blood drive on May 22th from <u>1:30pm to 6:00pm here at EW. We need</u> a great EW family turnout!!!!

April is Backpack Safety Awareness Month!

Of all the things we think about as parents of school children, backpack safety may be a low priority. However, backpacks *are* something to think about as using them improperly over time, can cause long term back problems. To promote a healthy spine for your child, here are some tips to consider:

Choose the Right Pack: Choose a pack with wide, padded shoulders to help distribute the weight and contents of the backpack

evenly. This will reduce pressure on the shoulders and neck.

Pack the Right Stuff: Pack only the essential items needed. The weight of the backpack and contents should not exceed **15%**. For example, an **80** lb student should not carry a backpack weight of more **12** lbs.

3. *Lift the Right Way:* When lifting a back pack from the floor, use both hands and bend at the knees.

4. *Wear it Right*: Use both straps with a snug fit. Also, the waist strap is highly recommended (if the back pack is equipped with this feature).

Mixed Bags Update

2012 FundingFactory Recycling Rumble is Here and Our School Could Win an Apple iPad and 25% in Fundraising Bonus

Emerson-Williams School is competing in FundingFactory's 2012 Recycling Rumble. Recycling Rumble gives our school the chance to earn more fundraising dollars by competing against—and out-recycling—Wade Hampton High School.

Now thru May 31, you can help by dropping off used ink and laser cartridges, cell phones, GPS devices, iPods, MP3 players, and digital cameras at Emerson-Williams School's recycling box located across from Mrs. Catarius' office. With each qualifying item our school sends to FundingFactory, we'll be one step closer to winning a 25% bonus and an Apple iPad! Not to mention, recycling bragging rights.

This is a great time to find out what your household and/or company does with used ink and laser cartridges and all the electronics you have replaced. If your company is not already recycling, now is the time to sign up.

A business supporter is any company committed to recycling used ink and toner cartridges and personal electronics to help Emerson-Williams School meet our fundraising goals. Becoming a business supporter is free. As a business supporter, simply collect your recyclables and leave them for me to pick up at your convenience. Or, drop them off at Emerson-Williams School's recycling box. We earn the value of your recyclables as well as our own, and when we're competing for the recycling title, each and every cartridge and small electronic counts!

The 2012 Recycling Rumble ends May 31, so act fast! With you in our corner, our opponent doesn't stand a chance!

Thank you in advance for your ink cartridge and electronic/digital recycling efforts.
