

Dear Emerson-Williams Parents / Guardians,

I am writing today to invite you all to attend our **EW Open House!**

Our Open House will take place on **two separate nights**. Different grade levels go on different nights.

Please Note: Our Open House is for Parents / Guardians only. Please do not bring your children to Open House. Thank you!

Tuesday, September 19 is for Grades K - 3.

Wednesday, September 20 is for Grades 4 - 6.

We have a very specific time schedule for our Open House. Different grade levels have Open House at different times throughout the evening. So, please take a very close look at the charts below, and let your child's Classroom Teacher know if you have any questions about anything at all. I know they are all really hoping for 100% participation!

The overall purpose of our Open House is for you to have the chance to briefly meet your child's Classroom Teacher, see the classroom, and learn about our curriculum and expectations for this school year. We love having this opportunity to touch base with you every Fall and get the conversations started. We are excited to partner with you to help your child have an ***AWESOME*** school year!

Tuesday, September 19
