

Attendance is key to your child's success!

Every day a student is absent is
a lost opportunity for learning

Good attendance is a vital part of the educational
process and is closely related to successful
performance in school.

We want to focus on good attendance, while still
being mindful of your child's health and safety.

Coming to school every day on time is essential to
a student's academic success. We love seeing all
of our students in school!

KEEP TRACK AND LIMIT SCHOOL ABSENCES

Set a goal of LESS than 10 absences

Use the table below to track your absences

*At your tenth absence, please contact your school
to set up a meeting with a member of the Attendance Team*
