

CCMC 2024 Fundraiser at Emerson-Williams

The 6th graders this year are so excited to teach your child about CCMC, Connecticut Children's Medical Center. For the next couple of weeks, the 6th graders will be selling paper flames to raise money for CCMC. They can decorate them and bring them back to be hung up in the halls. We want your child's flames to be as creative as possible! Each flame costs \$1. You can get more than one if you want!

Remember to put your name on your flame. We want you to claim that it was your hard work! We will start handing out flames on January 29th, and we will collect and hand out flames for a week until February 2nd. After that, we will celebrate by doing a Spirit Week! More information about the spirit week to come!

Don't forget your dollars next week to buy flames!

Sincerely,
The 6th Grade CCMC Fundraising Committee
