

## **Volunteers Needed: Spring Book Fair!**

The PTO is **changing up the format this year** and is looking for a volunteer to **lead the Spring Scholastic Book Fair**.

Instead of holding the fair during the week of conferences, we plan to **simplify it to one or two days after school in April or May**. The exact date will be flexible, and **the Book Fair Lead can help choose the date and format**. A possible time frame is **4:00–7:30pm**, and the PTO Board will help with scheduling and logistics.

### **What the Book Fair Lead would do:**

- Work with Scholastic to select books for the sale
- Share promotional materials with the PTO for distribution
- Manage basic finances and register reports
- Recruit and coordinate volunteers for setup and shopping

### **Good to know:**

- Setup is simple—book cases arrive a few days before and can be organized in **about 20–30 minutes**
- Only **2 volunteers** are typically needed during shopping times
- Scholastic provides **training, advertising materials, and support**

This is a **fun and rewarding way to support reading at our school**, and the PTO will help along the way!
